

Propose a doctoral training

In opening the IHP to Graduate Schools, our Institute provides both logistical and financial support for, in particular, PhD students wishing to attend these courses.

Propose a doctoral training

In opening the IHP to Graduate Schools, our Institute provides both logistical and financial support for, in particular, PhD students wishing to attend these courses.

WARNING : Selection for Doctoral training happens twice a year. Deadlines to submit application are November 10th, 2021 for programs between July and December 2022, and June 15th, 2022 for programs between January and June 2023.

How to apply

The proposed program will not exceed four pages, stating:

- The names of the organizers and their institutions of affiliation.
- An abstract of the doctoral program.
- The scientific motivation.
- The number of sessions planned.
- The pre-requisites for the participants.
- An estimate of the overall budget.

The pre-project can be submitted downhere (.pdf). You can also submit these proposals via any member of the Scientific Council of the IHP.

After discussion within the Scientific Council, the Direction will let you know its decision.

The Institute encourages you to discuss your proposal with members of the Scientific Committee. You can also ask any questions at doctoral@ihp.fr

Selection process and deadline

You can submit proposals at any time of the year.

Decisions are made at the twice-yearly meetings of the Scientific Steering Committee (CPS) in June and December. The CPS will then make recommendations, and you will receive notification of the outcome from the Direction.
