Institut Henri Poincaré
11 rue Pierre et Marie Curie 75005 Paris

The Institut Henri Poincaré hosts the MATRIX × IMAGINARY joint conference on the future of mathematics engagement.

This conference on math museums and math popularization is converging the traditions of MATRIX conferences (by MoMath , New York) and the IMAGINARY conferences (by IMAGINARY , Berlin) in a joint event. The event will be hosted by IHP who is working on opening the future Maison Poincaré , a new math museum in Paris.

Registrations for the conference will open on May 23 on this webpage. Only 150 places will be available.

Conference fee: EUR 180.

There is also a reduced fee of EUR 100 for students and special groups (please send a message indicating the reason you apply for discount to matrixximaginary@ihp.fr).

There will also be a limited number of sponsored tickets and travel grants for participants who would like to attend and cannot afford it. These grants will be awarded by the organizing
