Dear colleague,

It is our pleasure to announce the thematic three-month program entitled "Quantum many-body systems out-of-equilibrium" at the Institut Henri Poincaré (IHP) in Paris.

Registration: free but mandatory

Important: the deadline for financial support requests is: June 15th, 2023

The Institut Henri Poincaré can help you to find an accommodation during your stay in Paris.

The Introductory School will be organized at IESC (Cargèse, Corsica), from November 26th to December 2nd, 2023

Registration for the Introductory School

Two conferences will be organized at IHP, Paris :

- from February 5th to 9th, 2024: "Quantum Simulators"

Registration for the first conference

- from March 18th to 20th, 2024: **"Driven Quantum Systems"**

Registration for the second conference

We are looking forward to welcoming you!

The organisers: Rosario Fazio, Thierry Giamarchi, Anna Minguzzi, Patrizia Vignolo.

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
