Dear colleague,

It is our pleasure to announce the thematic three-month programme entitled **"Representation theory and noncommutative geometry"** at the Institut Henri Poincaré (IHP) in Paris.

Registration: free but mandatory

Important: the deadline for financial support requests is June 15th, 2024

The Institut Henri Poincaré can help you to find an accommodation during your stay in Paris.

An **Introductory School "Methods in representation theory and operator algebras"** will be organised at CIRM (Marseille), from January 6th to 10th, 2025

Registration for the introductory school

Three conferences will be organised at IHP :

- from January 20th to 24th, 2025: **"Intertwining operators and geometry"**

Registration for the first conference

- from February 24th to 28th, 2025: "**Tempered representations and K-theory"**

Registration for the second conference

- from March 24th to 28th, 2025: "**Analysis on homogeneous spaces and operator algebras**"

Registration for the third conference

We are looking forward to welcoming you!

The organisers: Alexandre Afgoustidis, Anne-Marie Aubert, Pierre Clare, Jan Frahm, Angela Pasquale, Haluk Şengün

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
