Dear colleague,

It is our pleasure to announce the thematic six-weeks program entitled **"Random processes in the brain: From experimental data to Math and back"** at the Institut Henri Poincaré (IHP) in Paris.

Registration: free but mandatory

Important: the deadline for financial support requests is June 30th, 2022

Two conferences will be organized at IHP :

- from March 6-10, 2023: **"Structural learning by the brain"**

Registration for the first conference

- from March 27-31, 2023: **"Networks of spiking neurons"**

Registration for the second conference

We are looking forward to welcoming you!

The organizers: Antonio Galves, Eva Löcherbach, Christophe Pouzat, Claudia D. Vargas

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
